I don't even know if you can buy a studio in Pakistan for \$80,000.00....

LET these TAX records show - there's 9000 SQFT available for sale at 111 Sullivan street in, Manhattan, New York, 10012.
- not possible. I've lived here long enough if I found something like that I would buy all of them.

9000 SQFT @ 3.8MM (3.8 million dollars in case you are in kindergarden)
= \$422.22 / SQFT
= for 200 SQFT
= \$84,444.44

OK? but don't trust me 1-TIME and this is what happens.

The risks they covered = `3.7MM and a studio is worth \$80,000.00.

Not my job to figure that out - i just let THE MATERIAL PARTIES KNOW ON THE 8TH OF AUGUST IN 2020.

A Texas subsidiary of State Farm was ordered to refund \$352.5 million to residential property insurance premiums after the company's rates were found to be unreasonable in relation to the risks they covered.
<https://violationtracker.goodjobsfirst.org/violation-tracker/tx-state-farm-lloyds>

<https://www.tdi.texas.gov/commissioner/disciplinary-orders/documents/20153854.pdf>
^^^ but eventually -- they have to settle. not my dept. EITHER.

-- NOW WHY THE HECK WOULD YOU AID AND ABET THESE ZUCKERS????

-- Not my problem either. but you are out of your mind to let the subservient(s) get involved with my affairs...

-- I warned you for reasonable cause... but the longer you wait to come clean - the dirtier you come out of the club...
-- LIKE YOUR \$2 pro on the deuce.... from the 60s though... no KYC, no conflict checks
-- SHE WOULD process and accept payment from any of these countries as well...

Counsel for Laurie Zucker. notwithstanding the 900 bodies on 150 East 42nd street, zip code 10017.
- times do change... but for \$2.00? I bought her in U.S. dollars in November of 2021.
- Sorry. those are the cold hard facts...
----- Democratic Republic of Congo, Iran, Iraq, Liberia, North Korea, Sudan, Syria, and Zimbabwe. -----

.... or did they figure out I understand the price per square foot in Manhattan, email me on the same day when I posted their counterparts...
.... don't care to admit, come clean or return any of the videos of myself which were filmed without my consent and at all times. see also: below. ****

**** see also: Bridgestone, Panasonic, and Martha Stewart.

p.s. If I have to freakin' vouchsafe this fellow of yours once more, I will leave him bereft - generally.
- don't even care about the letter at this point.

NOW. WHO THE F*** DECIDED TO REPORT THIS?

The tax records of the Zuckers, in the Public Domain - ask me about State Farm... or just look at the sneakers below... or look at the letter on the 8TH executed and faxed to all material parties.

Moved a little quickly there didn't you, but that was August 10TH of 2020. Check the date of execution CF00031.

On August 10th 2020. My apartment was 150 SQFT.. you telling me it's 400\$ a foot +37 *150 = 5550, sorry. That's \$65,550.00 not the 60,000.00 below.

You selling them for \$60,000?

Then, it would be `3.7MM as valued and paid for in your prior 5 years of taxes, as reported to State Farm realty or whoever it is you needed to borrow \$6 million from...

You could have just asked nicely to inspect my apartment you know... but now it's two years later right? And five years of tax evasion later. That's what happens when you unreasonably harass me, I will work extra hard to find you, no edgars right??? Ricki? You attached to a Edgar, come over here let me go talk to them. Ah? Got em covered right? All of them?? For what though?

I'll get back to you — and will absolutely use the two dollar lawyers recommendation letter as well, the one from the 10th of August in 2020.

Fwd: Please explain.

Please keep for your records, and forward to counsel.

That's picture is taken from my kitchen window and the reflection is from the unit upstairs; that's Apartment 3BR, directly above my apartment and in the same building. Their 15 year tenant, per the record in the previous case which rendered Ms.Laskowitz of Sullivan's Properties; or MEWS having to post bail in the previous case which was left for me to file a Cross Motion - having lost nearly each instance of her claim (a total of approximately 94), and also provided me with a full release of any and all liabilities and an invitation to remain as a tenant immediately following the evidence which I entered in response to their claim in principle - inclusive of the jargon.

I guess that's what it takes for a 9 billion dollar corporation to hinder me from any form of defense; however those photographs and my requests for fire egress and internet have not been fulfilled.

In contrast, counsel for plaintiffs argued to the judge that fire egress was acceptable means of safety and care of my wellbeing, having videotaped me having to enter the apartment using the fire escape and kicking in my fire escape to enter. A reverse procedure, which I must have not seen in the lease; or perhaps in the fire safety addendum.

Anyways, take care; and enjoy the weather!
